

Field Visit-2016:-

The Department of Civil Engineering, WISTM arranged a field visit on 05th March, 2016.

1. Tatipudi Reservoir is located on the River Gosthani in Andhra Pradesh. It is a water supply reservoir to the city of Visakhapatnam.
2. Railway Tunnel at Tyda, Visakhapatnam.

Mr. Lakshmana Rao, Deputy Engineer (Irrigation) explained about the technical aspects of Thatipudi Reservoir to the Students for over one hour.

70 students from IV/IV and III/IV B.E. Civil Engineering, accompanied by two senior faculty members, Mr. M. Durga Prasad and Mr. M. Bharath Kumar went to the field visit.

The field visit went on smoothly and it enhanced and threw more light on the practical aspects of the CIVIL engineering subjects.
