

Field Visit-2017 :-

The Department of Civil Engineering, WISTM arranged a field visit on 27th JULY,2017

Sri Tenneti Viswanadham *Pedderu* Reservoir a tributary to river Sarada, formed near Ravipalem (V) in Madugula (M) of Visakhapatnam District.

43 students IV/IV B.E. Civil Engineering, accompanied by two senior faculty members, Sri. B. V. Shiva Kumar (HOD) and Sri. G. Ravi Kishore went to the field visit.

Mrs. Anuradha, Deputy Engineer (Irrigation) and Mr. Ramesh, Junior Engineer explained about the technical aspects of *Pedderu* Reservoir to the Students for over one hour.

The field visit went on smoothly and it enhanced the knowledge and threw more light on the practical aspects of the subjects like Environmental Engg-I, Water Resources Engg and Transportation Engg., dealt in the III/IV & IV/IV B.E. Civil Engineering.
