

Field Visit-2018 :

The Department of Civil Engineering, WISTM arranged a field visit on 16th March, 2018.

1. Tatipudi Reservoir, Tatipudi, Vizianagaram District.

Tatipudi Reservoir is located on the River Gosthani in Andhra Pradesh. It is a water supply reservoir to the city of Visakhapatnam.

Mr. Satyanarayana, Deputy Engineer (Irrigation) and Mr. Ramesh, Junior Engineer explained about the technical aspects of Tatipudi Reservoir to the Students for over one hour.

41 students from IV/IV B.E. Civil Engineering, accompanied by two senior faculty members, Sri. M. Bharath Kumar and Sri. P. Leela Krishna went to the field visit.

The field visit went on smoothly and it enhanced the knowledge and threw more light on the practical aspects of the subjects like Environmental Engg.-I, Water Resources Engg. and Transportation Engg., dealt in the III/IV & IV/IV B.E. Civil Engineering.
